Bianca,

Good Afternoon!

SBD has completed the review of the subject project and is making a **"CSBE No-Measure"** recommendation, due to an **"insufficiency of availability"**.

CSBE firms certified in the applicable "Trade Category" and/or having the **GC license** were polled; only two firms responded meeting the stipulated requirements and/or expressing an interest. The signed worked with the **"CSBE No-Measure"** will be forwarded once available.

Advise as to any *"errors, omissions, and/or misunderstanding"*.

Regards,

Vivian O. Walters, Jr.
